ART. 1 – Subject.

The University of Genoa offers three scholarships to students who are enrolled in the course “Laurea Magistrale Scienza ed Ingegneria dei Materiali - International Curriculum SERP+” for the academic year 2021/22.

The total amount of the scholarship is € 2500,00 (two thousand five hundred, 00) gross of all charges for the beneficiary's account.

The scholarships are intended for students who will do their internship in Laboratories of the University of Genoa, according to the mobility scheme established by the course.

ART. 2 – Admission requirements.

Participation in the scholarship competition is limited to persons:

- holding a bachelor degree awarded by a non-Italian higher education institution;
- with citizenship other than Italian;
- enrolled in the course “Laurea Magistrale Scienza ed Ingegneria dei Materiali - International Curriculum SERP +” for the academic year 2021/22;
- choosing a laboratory of the University of Genoa as host institution for the internship planned in the 2nd semester of the 2nd year of studies.

ART. 3 – Award criteria.

Scholarships will be awarded on the basis of a merit ranking based on the average of the grades of exams from the past study career in the Master SERP +.

Preference will be given to self financed students.

ART. 4 – Presentation of applications and documents required.

Candidates are invited to participate in the scholarship competition by filling the specific application form and sending it to the e-mail address lupi@fisica.unige.it by March 24th 2022.

ART. 5 – Acceptance.

Winners will be notified of the award of the study grant by e-mail.

ART. 6 – Method of payment of the study grant and maintenance requirements.

In order to be admitted and to register, the student must comply with the provisions and deadlines in force. The study grant will be paid in one installment.

The payment of the installment is subject to the effective admission and registration of the student in the study course.
